Face Rituals

1. “Anagki” personalized facial
   After a thorough consultation, your skin therapist will provide the best combination of Phytomer products and techniques, and deliver unique experience and effective result. This tailor-made facial will give to your skin exactly what it needs to look young and healthy.

2. Absolute Hydration
   A super hydrating, regenerating treatment of cellular revitalization with ultra-sensory textures and a very relaxing massage to moisturize and comfort the skin, which instantly reveals its natural freshness.

3. Luxurious “XMF”
   This treatment reaches the height of biotechnological performance and restores the skin’s youthfulness, softness and luminosity. Exopolysaccharides XMF together with VMR smooth the skin and also stimulates collagen, elastin, and hyaluronic acid production. The skin mattress is denser and firmer, just like after a facelift. A sea-self heating mud is also applied on the back to promote deeper relaxation and relieve from muscular pain.

4. Calming Marine
   A haven of relaxation for fragile and sensitive skin, this intensely soothing cooling treatment leaves your skin fresh and luminous. An ideal “after sun” treatment.

5. Youth Intervention
   Resurface the skin gently, using a mild acid exfoliant containing marine AHAs and the demineralizing power of OLIGOMER® Powder. Fills in wrinkles with a delicious wax designed to fill in wrinkles and densify tissues. Ocean and science in the service of beauty.

6. Deep Cleansing
   Release your skin from excess sebum. The deep cleansing treatment is beneficial for all skin types. The vapor action and the sebum extraction refresh your skin and permit the valuable products’ ingredients to penetrate easier and deeper.

7. Express Facial
   An instant hydration and revitalization of your skin, including all essential steps for clear and fresh complexion.
8. **Eye and lip contour**
   Anti-wrinkle eye care with marine collagen and elastin. Smoothens fine lines, reduces puffiness and dark circles. At the same time, enjoy a complete treatment for lips contour. A cocktail of exfoliation with very effective ingredients which stimulate the circulation, while the splendor mask balm with hyaluronic nourishes – soothes – hydrates – tones the contour of the lips by giving them a natural volume. Perfect with any face treatment as booster.

*All the above treatments have been designed also for male needs.*

### Body Peeling

9. **Mykonian Sea Scrub**
   We proceed in a deep cleansing with salts, corals and hazelnut oils, soya, nut and Oligomer (solidified sea). Then apply a cream with a cocktail of marine ingredients to the full body that restore the aquatic tone to your skin and it prepares it to be safely exposed to the sun.

10. **Mediterranean Scrub**
    Exfoliates the skin while at the same time it promotes microcirculation and deeply cleanses the pores. Let fresh orange, lemon and Greek pure honey to provide cleansing power, skin brightening and terrific powerful antioxidants.

11. **Delight Scrub**
    This floral scrub gently removes dead skin cells from your body, using coconut shell, apricot kernel and date pit exfoliating powders. Scented oil is applied at the end leaving your body soft and hydrated.

### Body Rituals

12. **Thermal Back**
    Experience a unique sensation of relaxation all over your back. After a deep cleansing of the skin, a thermal marine mud is applied in areas with tension. The thousand warm micro bubbles that are released, diffuse active ingredients that relieve from aches. A specific massage is performed at the end to relax tightened muscles.

13. **Leg Revival**
    A treatment with marine flavonoids that filters relaxes and relieves tired legs. A peeling with crystal salts and essential oils removes the dead skin and an application of a particularly fresh gel mask from the feet up to thighs stimulates blood microcirculation and reinforces capillary tone.
14. **Dynamic Slimming**
   An all-in-one solution to refine the figure and tone the skin. A combination of an invigorating massage and an original body wrap with algae jam to trim your curves, reshape your body and tone your figure.

15. **Cellulite session**
   Targets the abdomen -things- buttocks area and attacks cellulite and accumulated fat. Reduced curves and cellulite, a body lighter and detoxified, smoothed thanks to the intensive formula staring the super active “Slim Pink Pepper”. For perfect-looking skin.

16. **Sea Foam Massage and Calming Mask**
   A foamy massage is performed on the entire body followed by a soothing mask that relieves from the tightness of burned skin and reduces redness. The ritual is completed with an application of a soft cream.

---

**LPG ® Endermologie**

17. FDA approved Endermologie is the only proven cellulite minimizing technique that can reshape the body. This sophisticated treatment restores the body’s contour and banishes cellulite. It is a revolutionary non-invasive treatment using rollers and suction to deeply massage problem areas and target localized fat and cellulite. A single treatment provides a dramatic effect on circulation and lymphatic drainage, whilst for optimum results it is recommended a number of treatments
